THE FUTURE FLAME OF PHILANTHROPY

WHY:

- Netivot HaTorah and its Board of Trustees is committed to ensuring that the school is accessible, regardless of a family's financial situation.
- Currently, upwards of 50% of our student body receives tuition assistance which leads to an operating deficit.
- Outside of government & UJA grants, the Development Committee is responsible for raising \$1.2M annually (*2024 figure)

Thankfully, Netivot HaTorah has a deeply committed group of Trustees, who are community leaders and who believe that children educated with a love of Torah, devotion to Israel and a commitment to Derech Eretz, will change the world for the better. We are incredibly grateful to many of these incredible supporters for leading the transformational Capital Campaign.

PURPOSE:

- 1) Continuity – The program is meant to provide the opportunity for the next generation of philanthropists to make a meaningful commitment to Netivot. This continuity serves as a powerful statement to our Trustees and long-time partners, that the next generation is invested and committed to the future.
- 2) Mission – There is a wide array of rich religious, academic and social-emotional learning programs and experiences at Netivot HaTorah that helps to nurture and develop each child. We hope to be able to help defray the costs associated with these programs which are so critical to life at Netivot HaTorah.
